GOD BLESS THEM ALL
OVER THE TOP!!!

Angels, would you prayerfully consider sowing a love offering to help us with pallet shelving and carpet installation??

It would truly be a tremendous blessing.

Whatever the Good Lord would give you to give. . .

no gift is ever too small or too big!

You can safely donate online at WWW.JZRL.ORG

In the midst of moving, we were able to ship containers of aid to

ISRAEL, HAITI and the **Ukraine**.

Our total for the year is an incredible 35 shipments. . . Glory to God!

We also were able to supply aid to a new ministry in New Jersey who is reaching out to the poor, as well as supplying two inner city churches who are helping the needy.

HALLELU-YAH!

ISRAEL'S 2ND LARGEST HOSPITAL GETS HUGE WEEK-LONG DELIVERY

We received this month's e-mail newsletter from the Joseph Project in Israel:

During the week of June 6, Sheba Hospital (Tel HaShomer) in central Israel was the recipient of several containers of all-new medical supplies worth many thousands of dollars. The delivery was so large that it took two to three trips per day for a week.

Some of the items included in the donation were wheelchairs, crutches, canes, orthopedic braces of all types, walkers, basins and containers, pill cups, cast padding/boots/shoes, hospital sheets, patient gowns, surgeon scrub sets, surgical drapes, sharps collectors, etc.

These supplies were shipped to us by Jezreel International.

The hospital greatly appreciated the timely contribution, the size of it, and the fact that nothing was asked for in return. They offered to place a plaque in the hospital commemorating the donation.

Our resources in Israel feel that there will be war sooner than later. Joseph Project, along with several of their partnering ministries, are now preparing **survival kits**. We have been asked to begin shipping several items as soon as possible, including: **diapers, disposable cups, plates, utensils, toothbrushes, disposable gloves, bathroom paper, plastic trashbags and children's games.**

If you would like to help start collecting these items, please let us know. This is an awesome way to bless Israel in this very trying hour. The Word of God tells us in Romans 15:27: **If we have been partakers of Israel's spiritual blessings, then it is our duty to bless them (Israel) materially.**

Thank you, Beloved Angels, for all your prayers and gifts!

We lift you up to the King of Angels and ask Him to bless you
according to His riches in Glory!!!

We are praying for you! Remember your prayer requests
and send us your praise reports too!
