

Those who know Him, have received their glorious benefits...
celebrating them, NOT once a year, but each and every day!

Some are aware of the feast connection...some are not.

Nevertheless, they are celebrating them knowingly or *unknowingly*.

YOM TERUAH / ROSH HASHANAH: He awakens us, calls us to hear and repent.

YOM KIPPUR / DAY OF ATONEMENT: He covers us, washes us clean from sin.

SUKKOT/ FEAST OF TABERNACLES: He indwells us, and fills us with Himself...

again and again. Hear Him, repent of sin, be cleansed and filled each day!

HALLELU-YAH!

We are eternally grateful to YAHWEH for His glorious feasts
and their fulfillment in our Messiah, YESHUA JESUS!

We hope you enjoyed hearing about your inheritance!

*** **

Our new facility is a joy! So many of you prayed, helped and donated!

We are TRULY so grateful to all of you!

Recently we connected with the United Methodist Church in Buffalo NY. This church had a desire to reach out and bless the children in Haiti, so they rallied together and had a toy drive. This is not a large church but they managed to collect over 7,000 toys. Their dilemma was how to get them there, so they called an organization in New York City called the 911 Fund, an organization which ships fire fighting equipment to nations in need. They didn't know how to get the toys to Haiti so they called Feed the Children who in turn called us!

Wow! Do we love God's divine connections!

Not only were we able to get the toys to Haiti, but we are now ,
by the Grace of God, working with the
911 Fund to help them get a container shipment
of fire fighting equipment to Argentina.

In the midst of moving we were able to ship 3 more containers
bringing our total for the year to an amazing 37... Thank You Lord!

Here are the toys and the helpers !
(sorry for the blurry pic)

Look what people who are HEARING GOD'S HEART can do!
These toys are in Haiti now giving some comfort to the little ones.
May they always remember what God did for them
and how much He loves them.

We thank you and bless you in this powerfully
joyous season of His love!
To a beautiful year of health and happiness!

Barry, Toni, Lorenzo, Joan, Jen and Naomi
